| (several) | <b>Deadly Injustice - USA</b><br>July 09, 2007                                                  | 17:31    | English      | ABC Australia.  Americans joke that the death penalty is known as capital punishment because only those without capital get punished. But is it just a joke?                     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |
| (several) | Solitary confinement on<br>death row is mental tor-<br>ture: psychiatrist<br>September 25, 2014 | 08:59    | English      | Worldcoalition.  Dr Terry Kupers explains how solitary confinement has compounded mental health issues among prisoners - a clear violation of human rights standards.            | Chargo after work in deal made to the brains signaled. | (several) | <b>Todeskandidaten eine Stimme geben</b> December 16, 2013                                      | 03:26    | Swiss-German | SRF. Eight young Swiss artists go on tour with "Inmates' voices". They composed songs from texts and poems from correspondences with US death row inmates.                       |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |
| Alabama   | A New Trial for a Death<br>Row Inmate<br>January 25, 2012                                       | 58:30    | English      | Duke Law School. Chris Christie (L'85) talks about representing death row inmate Victor Stephens. In 2011, a federal court granted Stephens a new trial.                         |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |
| Arizona   | Former Death Row Inmate<br>Debra Milke and her Law-<br>yers Speak to Press<br>March 24, 2015    | 1:15:39  | English      | Fox 10 Phoenix.  Debra Milke, a woman who was on death row for 22 years in the murder of her 4-year-old son, is now free - and she speaks publicly for the first time.           | AGW GERA MILKE                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
